INSTRUCTIONS FOR FIRST GRADE BIBLE

The first grade handbooks of the LIFEPAC curriculum are designed to provide a step-by-step procedure that will help the teacher prepare for and present each lesson effectively. In the early LIFEPACs the teacher should read the directions and any other sentences to the children. However, as the school year progresses, the student should be encouraged to begin reading and following his own instructional material in preparation for the independent study approach that begins at the second grade level.

This section of the teacher handbook includes the following teacher aids: 1) Cumulative Word List 2) Teacher Instruction Pages.

The Cumulative Word List is made up of words introduced at least once in one of the ten subject LIFEPACs. An asterisk (*) following a word indicates a direction-word that the children will need to know by sight to complete the work independently. Sight words are words that either are needed before their phonetic presentation or do not follow the standard phonetic rules. These words need to be learned through memorization and children should be drilled on them frequently. The drill may be done by use of a chart posted in a prominent place, by word card drills, word recognition or meaning games. Some words on the Cumulative Word List are not expected to be part of the student's reading vocabulary but part of his speaking vocabulary for better understanding of subject content.

The Teacher Instruction Pages list the Concept to be taught as well as Student Objectives and Goals for the Teacher. The Teaching Page contains directions for teaching that page. The Activities section at the end of each lesson is optional and may be used to reinforce or expand the concepts taught.

Materials needed are usually items such as pencils and crayons which are readily available. Additional items that may be required are LIFEPAC tablets (purchased through the catalog or may be any lined paper), alphabet cards, color and number charts, and flash cards for vocabulary words.

(Nighttime is dark: daytime is light) "Why do you think that God gave us the gift of darkness?" (so that we could rest quietly at night) **Ask:** "Can you think of some things that you do at night that you do not do in the daytime?" (Most people sleep at night rather than during the day.)
